**PER NATALE, LE CONSIGLIAMO QUESTO LIBRO. SE NON SA BENE L'INGLESE, È DISPONIBILE ANCHE IN SPAGNOLO. IN ITALIANO NON È MAI STATO TRADOTTO. A chilling story of human depravity and ultimate justice, told for the first time by an eyewitness court reporter for the Nuremberg war crimes trial of Nazi doctors. This is the account of 23 men torturing and killing by experiment in the name of scientific research and patriotism. Doctors from Hell includes trial transcripts that have not been easily available to the general public and previously unpublished photographs used as evidence in the trial. This landmark trial resulted in the establishment of the Nuremberg code, which sets the guidelines for medical research involving human beings. A significant addition to the literature on World War II and the Holocaust, medical ethics, human rights, and the barbaric depths to which human beings can descend.**
